## **Gun Owners Celebrate Gorsuch Confirmation**

**Windsor, CO** – Dudley Brown, President of the National Association for Gun Rights, released the following statement following the confirmation of Judge Neil Gorsuch to the U.S. Supreme Court.

“The confirmation of Neil Gorsuch to the Supreme Court is a huge win for gun owners. After the tragic passing of Justice Scalia, Judge Gorsuch shows promise. As an originalist, Judge Gorsuch understands the historical context and meaning behind the Second Amendment, and our God-given right to keep and bear arms.”

“The Supreme Court is the last stop in overturning anti-freedom rulings made by judicial activists in the lower courts. We will look to Justice Neil Gorsuch to stand firm in protecting the original meaning of the Second Amendment.”

The National Association for Gun Rights and its 4.5 million members and supporters actively lobbied Senators to support the confirmation of Judge Gorsuch.

*The National Association for Gun Rights is America’s second largest and fastest growing gun rights group. With over 4.5 million members and supporters, the National Association for Gun Rights is especially well-known for its no-compromise stance on gun rights.*
